CUTTING INSTRUCTIONS

1. Print the pattern. Make sure your printer did no shrink (if standard size paper and tape the pieces together, or print on a wide format printer). Check the shape after the correct for approximately 20 cm (if available in you, the little rectangle with frame printing).
2. Check if the pattern is scaled correctly. Measure the square enough to retrieve the correct square. This template should be **4" x 4"** (10 cm x 10 cm). If it is not, change the scale of the pattern in your printer settings and print it again. Do **NOT** **NOT** **NOT**
